

County of St. Paul Strategic Business Plan – 2011

Sustainable Priorities

The County of St. Paul believes that to be a sustainable community we must:

- Preserve the rural character of the County through the conservation of the quantity and quality of the agricultural land, maintaining the beauty and accessibility of the lakes, and good partnerships with urban neighbors
- Encourage environmentally sound and sensitive development of recreation, residential, lake-oriented residential and the overall County
- Allow development in such a manner as to limit the removal of higher capability agricultural land, not put undue pressure on the natural environment or the provision of services, not cause unacceptable adverse effects on the agricultural economy and community
- Utilize natural resources to promote economic diversification which is compatible with the rural environment and environmentally sound, so that all residents may enjoy optimum working and living standards
- Continue to support and promote sustainable and enhanced agricultural research, activities and practices to achieve the rational diversification and intensification of agricultural activities and a profitable and sustainable future for producers
- Seek inter-municipal plans and cooperative service agreements such that they continue to support better relationships among rural and urban residents, better services and efficiency of services
- Encourage the development and expansion of institutional facilities to meet the educational, social, religious and cultural needs of residents
- Ensure the provision of essential services such as emergency services, health services, education and gathering places for social and religious activities, to support the renewal and enhancement of vital components of rural lifestyle and quality of life
- Support the continued, orderly growth of the incorporated urban centers so they can continue to provide a range of commercial, industrial, residential and institutional services to the wider community
- Minimize the negative impact on the land by encouraging good stewardship of the land
- Minimize conflicts between agricultural and non-agricultural land users

Goal 1 – Governance

Goal 1. Council uses a “rural filter” in making all decisions and models transparent, participatory and inclusive leadership

Lead/Actions	Target/Date	Quarterly Report
1.1 Reeve/CAO – Ensure Co. of St. Paul perspective is communicated to North Saskatchewan River Basin Land Use Framework	Unknown at this point	<p>Quarter 1, 2010– Councillor Ockerman’s name has been sent in to the Land Use Secretariat as an interested party to sit on the RAC for the North Saskatchewan River Basin, however no indication has been received regarding the appointment of this RAC.</p> <p>Quarter 1 2011 – Glen Ockerman’s name has been submitted to AAMDC as they are providing recommendations to the province for municipal representation on the RAC.</p>
1.2 Reeve/CAO – Move forward with Regional Water Commission	Jun 30 2010 Revised Date-Mar 2011	<p>Quarter 1, 2010 - A Regional Partnership Initiative Grant has been applied for (and approved) that will help fund the services of John Van Doesburg and his work to organize the Regional Water Commission for the County of St. Paul and the Town of Elk Point. Also a grant application has been submitted to Alberta Transportation under the Water for Life Program to fund the Regional Water Line from Ashmont to Lottie Lake as well as the plant upgrade required at Ashmont for this increase in capacity.</p> <p>Quarter 2, 2010 - The Regional Partnership Initiative Grant has been approved and work is commencing on the Commission documents. The June 15, 2010 meeting was cancelled due to the Town of St. Paul being unable to attend. Indications from Alberta Transportation is that no funding will be available in the current fiscal year, however there may be dollars to work on some engineering aspects. Need to reset the Target Date for this item to year-end.</p> <p>Quarter 3, 2010 – The Regional Water Committee is currently working on the Business Plan that will accompany our application to become a Commission. Draft document was discussed by the committee in September. Committee decided to hold a meeting in November for all Councillors from the three municipalities to have an update on the project – scheduled for November 4, 2010.</p>

		<p>Quarter 1 2011 – The Committee decided to split the St. Paul/Elk Point water line from the Ashmont/Lottie Lake line. The consultants have separated the Business Plans. The Ashmont/Lottie Lake project has been approved by Alberta Transportation with a grant of over 4 Million. The County will now need to coordinate this project and make decisions on future utility costs.</p> <p>Quarter 2, 2011 – We have received Requests for Proposals from engineering firms for the Ashmont Water Treatment Plant upgrade and Water Transmission line to Lottie Lake. The funding has been announced for the St. Paul-Elk Point line. County Council is still deciding if they will participate as part of the Commission – this decision will be made once numbers are determined for connection of rural residents to this line.</p> <p>Quarter 3, 2011 Council has decided to participate in the Elk Point/St. Paul Regional Water Commission. An RFP was sent out for the Engineering of the water line from St. Paul to Elk Point. This has been awarded to ISL Engineering. They have just commenced work on the project. The update to the St. Paul Water Treatment Plant will be looked at later.</p> <p>Council has decided to work on Water Policy and have retained Urban Systems to commence work on this project – expect to have Public engagement into the process and policy established by spring of 2012.</p> <p>Quarter 4, 2011 The Commission documents have all been sent into Municipal Affairs. Just waiting for their response.</p>

<p>5.4 Sheila - Make GIS system available for emergency services as soon as rural addressing program is finished</p> <p>(delayed this to 2011 due to decision to change 911 Dispatch – transition to take place January 15, 2011 – should be able to provide to emergency services in January)</p>	<p>Feb 2010 Revised Date Jan 2011</p>	<p>Quarter 1 2010- Rural addressing program is still incomplete at this time. Awaiting some final signs to be delivered and installed. Expect completion of sign installation in Quarter 2 – will access to emergency services once the 911 update has been completed.</p> <p>Quarter 2 2010- Rural addressing numbers have been incorporated into the GIS system. Numbers should be uploaded to the 911 system by the end of July 2010. Final signs are being installed.</p> <p>Quarter 3 2010- Final signs have been ordered and will be installed by mid-October – this includes halls, cemeteries, and churches as per Council resolution. County staff has been working to assist Telus with matching Rural Addresses to land phone lines. This will be sent to Telus by October 8, 2010. Telus will require 2 weeks to format in their system. 911/Address information will be sent to Bonnyville 911 Dispatch to be ready for our implementation with them. This information will not be sent to Strathcona 911 as we will be terminating our agreement with them. <i>Staff has finished going through the list matching addresses to phone lines and Telus has received the corrected version.</i></p> <p>Quarter 1 2011 – have explored ideas for getting this information to Emergency Services. Have set up a meeting for May 25, 2011 with GIS provider to look at options to have this data available, current, and on a system that will ensure the integrity of the data for liability purposes.</p> <p>Quarter 2, 2011 – have had meeting with the municipalities affected and will be putting together a grant application under the</p>

		<p>Regional Collaboration Grant that will look for Provincial Assistance with this project.</p> <p>Quarter 3, 2011 – A grant has been applied for under the Regional Collaboration Grant – no response from Municipal Affairs regarding that grant application at this time.</p> <p>Quarter 4, 2011 – Still awaiting response from Municipal Affairs</p>
5.5 Terry/Dennis – Transition to the 911 dispatch services from the MD of Bonnyville.	<p>January 15, 2011</p> <p>\$3.30/capita budget</p>	<p>Quarter 1 2010- \$37,000 has been identified in the 2010 capital budget for upgraded 911 communications.</p> <p>The study has been completed and in a nutshell cost may be as high as \$60,000 for four Fire departments. Still working on what the ongoing costs will amount to (SuperNet charges) (March 17, 2010) TS</p> <p>Quarter 2 2010- No change at this time. Uncertainty of provincial EMS dispatching centers has muddied the waters.</p> <p>Quarter 3 2010- Delegations from the County of St. Paul, Town of St. Paul and Town of Elk Point went to the MD of Bonnyville 911 Dispatch to have a presentation on what they could offer the Region for 911 Dispatch Services. Based on that meeting and requirements for equipment upgrade if we stayed with Strathcona 911, Council decided to give notice to Strathcona and enter into an agreement with Bonnyville 911 in 2011.</p> <p>Agreement has been signed with a tentative change over date of January 27, 2011.</p> <p>Complete. Per capita amount included in 2011 budget</p>
